

UV/Vis Spectrophotometer

SPECORD[®] S 600

SPECORD® S 600

Powerful diode array spectrophotometer for the UV to NIR range 190–1100 nm

Features	<ul style="list-style-type: none"> ▪ Simultaneous measurement of the complete spectral range ▪ Recording speed for complete spectra in millisecond range ▪ Open sample compartment ▪ Quartz coated optics
Mode	Energy, Absorption, Transmission, Reflectance
Software	WinASPECT®
Instrument dimensions (W x H x D)	660 x 175 x 245 mm
